CERTIFICATION OF NEW TIRE TREAD BAR HEIGHT

\*\*\*\*\*

The Nebraska Tractor Test Board will accept a certification of the new tire bar height in lieu of a new tire presented for tread bar height measurement. The certification shall include:

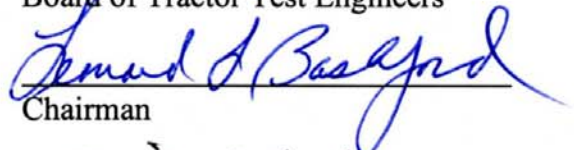

1. the tire description,
2. tread bar height measurement made with a device similar to that used by the Nebraska Tractor Testing Laboratory and used in accordance with SAE J708 JUN 80,
3. the gage tire serial number, and
4. the signature of an official company representative.

The Board reserves the right to require that a gage tire be submitted at the time of the official test.
